Dear Sir:—

We obtained possession of a two dollar piece date 1879, which is split for about $\frac{1}{4}$ of an inch. It is standard weight and genuine beyond a doubt, but the defect destroys the ring. Would you prefer to have it returned to you.

Very respectfully
Yours Obedt. Servt.

Dear Sir: -

We obtained possession of a ten dollar piece dated 1879, which is split for about $\frac{1}{4}$ of an inch. It is standard weight and genuine beyond a doubt, but the defect destroys the ring. Would you prefer to have it returned to you.

Very respectfully

Your Ob't. Serv't.
